It must be noted that on April 20, 2022, graduating students of Kuyi-Chirchik district, Tashkent region, together with their teachers, visited "TIAME" National Research University. The main purpose of the visit was to familiarize students with the museum of Abdulla Aripov. The tutors of "Hydroreclamation" Faculty Akbarov Utkir and Yakubov Kamoliddin introduced the students with the educational buildings and laboratories of university.

The Scholarship holders named after Abdulla Aripov- Karimova Shodiya and Normurodova Zukhra provided students with information about the activities of museum. It is very important that the ongoing cultural and educational work increase students' interest at universities.
