

Spiritual-educational event organized by tutor

It should be mentioned that on April 22, the students of 210- group of “Hydro melioration” Faculty with their tutor D. Egamova visited the “Alley of Writers” in the National Park of Uzbekistan named after Alisher Navoi. The National Park is one of the historical and cultural complex that helps raising the cultural level of population, especially youth, as well as familiarizing guests and tourists from around the world with the achievements of literature.

The students also visited “Tashkent Museum” and “Yesenin's house-museum”. The expositions of “Tashkent Museum” present the ancient past, customs and traditions of the Tashkent people, examples of art and culture of the ancient region. In Yesenin's house-museum, everyone can learn about the interesting facts about the poet's life, his visit to Tashkent and his work.
