

Another look at the poet's work

Abdulla Aripov was a unique talent who brought Uzbek literature to a new high level. His artistic and deep philosophical poems have firmly entered the hearts of our people. The spiritual and educational event, organized at the foot of the monument to Abdulla Aripov on the Alley of Litterateurs, also demonstrates the great power of literature and art in the formation of patriotism and humanism in the hearts of students. Today, the staff of the faculty of land management, the dean of the faculty Sh.Narbaev and the deputy dean for youth work Kh.Eshova, the leader of the youth union Kh.Tajibaev and tutors Ibragimova Surayo, Khursandova Dilafruz, Vafoeva Manzura brought flowers to the foot of the monument to Abdulla Aripov.

The dean of the faculty Sh.Narbaev opened the event with an introductory speech. Speakers spoke about the life experience and activities of the poet and recited his poetry. The university has developed a roadmap to popularize the writer's work, and held many spiritual, educational, artistic, and creative events dedicated to the work and life of the poet. The event was also attended by the head of the department for working with creative youth of the Union of Writers Alisher Boymurodov.
